

Cold Snap! Bring Pets inside!

COLD SNAP! Please bring pets indoors as temperatures drop.

Animals left outdoors, especially puppies and seniors, are at a higher risk in the winter. Temperatures will be in the teens through the next few days in the Tennessee Valley. Outdoor pets are still required to have food, unfrozen water, and shelter from the elements in Hamilton County.

HES serves unincorporated Hamilton County, Soddy Daisy, Red Bank, Collegedale, Lakesite and Walden. If you see unprotected pets in these areas, please call (423) 624-5302 ext 232 for Animal Services.

If you live in the City of Chattanooga, please call McKamey Animal Center at (423) 305-6500.
