# **Calls for Service November 2025 Total calls - 945**

*Categories and types of calls listed above provide a general overview of law enforcement activity each month. Listed call types are examples, and do not represent every single type of call officers respond to.*

*Call types are based on the initial information provided by the caller to the Hamilton County 911 Center. For example, a "shots fired" call may later be determined to be a car backfiring.*

### **Traffic/Vehicle - 534 calls**

Auto accidents, traffic stops, auto theft, broken down auto, abandoned auto
